

About Us

Greater Nashua Mental Health's mission is empowering people to live full and satisfying lives through effective treatment and support.

We provide a wide array of results-based, comprehensive, culturally sensitive mental health and substance use disorder services to individuals and families of all ages, and for every stage of the life cycle. We treat our clients with compassion, dignity and respect and **no one is ever turned away due to the inability to pay for services.**

We are committed to providing excellent care to every one of our neighbors in need, with the goal of helping individuals and families live life to the fullest. Healthy individuals and families means a healthier community for everyone.

- Integrated Services for Co-Occurring Mental Health and Substance Use Disorders
- Psychiatric Evaluation and Medication Management
- Community Support Services
- Mental Health Court
- Drug Court
- Supported Employment Services
- Child Impact Seminars for Parents of Divorce
- Homeless Outreach Services and Housing
- Statewide Deaf and Hard of Hearing Services for All Ages
- Intensive Outpatient Program for Substance Misuse

Julia's Story

SUPPORTED EMPLOYMENT SERVICES

Working keeps you young!
I used to feel so anxious I
couldn't even leave my house.
Now I'm working part-time
and couldn't be happier.

InteGreat Health

Treating the Whole You

We have joined together with **Lamprey Health Care** to introduce our new collaborative health care program, integrating primary care, mental health, and substance use disorder services to make being healthy even more convenient.

GNMH clients are now able to schedule an appointment to receive primary health care services right in our building at **7 Prospect Street**, where many of our adult behavioral health services are already being delivered.

- After-hours nurse call service
- 24-hour behavioral health crisis intervention
- Improved access to appointment scheduling
- On-site pharmacy and lab services
- Coordination of care between agency providers
- Timely substance use disorder referrals

Walk-In Services

Open Access: For Care When You Need It

For many individuals, face-to-face care is often the most effective method of support for mental health concerns. Our **Open Access Walk-In Services** provide a place to find the right level of care, right when you need it.

Interested in seeing how Greater Nashua Mental Health can help you or a loved one dealing with a mental health and/or substance misuse issue? Stop by our office at **440 Amherst Street** in Nashua and get to know our staff, our services, and our vision for the community.

 **440 Amherst Street, Nashua, NH 03063**
